HANDS-ON FUN

with

All About STEMworks

We are excited to welcome you to our STEMworks workshop! Here is some information about us and what we do, so you'll have a better idea of what to expect during your Knex Fairground Rides workshop.

Who are we?

You will meet some of these adults when you come along:

HI! I'M MO

I AM ROB!

I AM SARAH!

We're going to build and code our very own K'Nex Fairground!
You'll get to create and program a super cool fairground ride.
It's going to be so much fun!
You may create something that looks like this:

Where are we?

Our workshop will run in the school hall at:

Berry Hill Primary School
Nine Wells Road
Berry Hill
Coleford GL16 7AT

What3words location: [///trail.leaps.shoulders](https://www.what3words.com/#!/en////trail.leaps.shoulders)

A Few pictures of where you spend your day.

This is the main entrance where you'll enter the school.

If you arrive between 10:10 and 14:40, there will be a phone number posted on the door for you to call and let us know you are waiting.

This is the reception area you'll see as soon as you walk through the front door.

This is the hallway leading to your workshop area.

This is the workshop room where you'll be spending most of your day.

Weather permitting, we'll spend some time outside on the school field.

Accessibility Information

- If you feel your young person needs extra support, please contact us in advance to give us opportunity to put in support where possible.
- There is ample parking at the school including disabled parking.
- The main entrance is via steps or an adjacent ramp access, once inside most areas are wheelchair accessible
- We can provide a quieter area if required, but please let us know if this may be needed
- If the weather allows, we hope to go outside. Some of the area is sloped, and much of it is grassed, so may be difficult in wet weather.
- Our sessions can be noisy, so please be aware that we are based in the school hall where acoustics are not always good for sensitive ears.
